SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner  
for Patents  
Washington, DC 20231

Dear Sir:

In satisfaction of the duty of disclosure under 37 C.F.R. § 1.56, and in accordance with the provisions of 37 C.F.R. §§ 1.97 and 1.98, Applicants wish to draw the attention of the U.S. Patent and Trademark Office to the References cited on the accompanying form PTO-1449. Copies of the references are enclosed.

**Serial No.:** 08/541,191

**Filed:** October 11, 1995

This application entered the national phase via original international application number PCT/US95/14621. It is assumed that the International Search Report citing a number of references was forwarded to U.S. Designated Office by the International Searching Authority in this Application. However, in the event that that assumption is based upon misinformation, enclosed herewith is the Search Report, together with copies of the cited documents which were not previously disclosed in United States Serial No. 08/541,191.

These documents are believed relevant, if at all, for the reasons stated either in the Search Report or the specification itself.

None of the foregoing references is believed to disclose the invention as claimed. Nothing herein shall constitute an admission concerning the contents of any of the cited references, nor shall the inclusion of a reference herein be considered an admission that the reference constitutes prior art against the invention claimed in the above-identified application. Submission of the present document shall not be construed as an admission that a search has been made or that better art does not exist.

Each item of information contained in this Information Disclosure Statement was cited in a Communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement. Therefore, no fee is believed to be currently due under 37 C.F.R. 1.97(e)(1). However the Commissioner is authorized to charge any additional fees
